

Servants of the Paraclete

Prayer Intentions

Each of the Houses where the Servants of the Paraclete's reside has a book of prayers. These books list each person's name and intention who requests prayers from the Servants Priests and Brothers. Shown below is the chapel at Lourdes House in Jemez Springs, New Mexico.

Each day mass is celebrated in the chapels and the book of prayer intentions is displayed in the chapel as a reminder of our supporters and friends and their intentions.

Please list your intentions and they will be forwarded to one of our chapels ... Jemez Springs, NM; Dittmer, MO; Tagaytay City, Philippines.

God Bless You
